

Ministry Equipping & Training Classes

M.E.T.

The church is not an audience. The church is an army. We are called to invade darkness with the transforming light of the gospel.

Matthew 5:14 says, “You are the light of the world...”

Not the light of the church.

We have to start thinking outside the four walls of the church and prepare to touch our city by using the gifts and anointing that you, as the body of Christ, have to reach out.

“And he gave the apostles, the prophets, the evangelists, the pastors and teachers to **equip the saints for the work of ministry**, for building up the body of Christ.”
-Ephesians 4:11-12

Let’s take the limits off of what God wants to do through us and love the world that Jesus died for.

Pastor Paul Zink II

“The MET class has been such a pivotal part of my growth in the Lord to help solidify my faith in who I am & whose I am to be able to conquer my fears and push past stagnancy in comfort. It has played a huge part in further revealing my identity in Christ.”

- Ashley Hale, MET Class Graduate 2023

“If sinners be damned, at least let them leap to Hell over our dead bodies.

And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for.”

-Charles Spurgeon

WHAT ARE M.E.T. CLASSES?

MET classes are a 9-month program that is designed for the average believer that feels a draw to do more for the kingdom.

Oftentimes we feel the pull of the Holy Spirit to do more, but we feel ill-equipped or lacking in experience on even how to start. These classes are designed to train and equip you in areas of:

- Biblical foundation
- Presenting the Gospel
- Discipleship
- Evangelism
- Practical ministry
- How to be a spiritual leader

If you are looking to increase your spiritual influence in your everyday life, at work, or you feel called to launch into ministry, these classes will lay the foundation to live out the vision that the Lord has placed on your heart. Cultivating and encouraging the calling inside of you is at the heart of this ministry. At the end of this program, you will graduate as a **New Life Ministry Worker**.

“ Each one of the guest speakers were “first class”. They have sown into me greatly through their lifestyles, testimonies, passion for evangelizing, courage, and boldness. They have truly injected in me the desire and passion to want to be used (even with fear) by the Lord to advance His Kingdom here on earth. ”

- Soraya Godoy, MET Class Graduate 2023

“Understanding your identity in Christ has been the most impactful for me! Truly grasping & understanding who Christ says I am and believing this is life changing. What a different world we would live in if all God’s children knew and believed what the Word says about our identity and walked in that truth daily.”

- Kerrie Walker, MET Class Graduate 2023

“
My favorite class was sharing our testimony, because it gave me confidence in a place where I felt shame. I realized my past hurts, pains, and failures could be used as a tool for God’s glory to save someone else’s life. Revelation 12:11 - “And they overcame by the blood of the Lamb and by the word of their testimony.”

- Alexia Lombel, MET Class Graduate 2023”

“
Through the classes and ministry opportunities, there is a fire that has been ignited. I have learned that it’s ok to be uncomfortable or scared. **DO IT ANYWAY!**
